

An aerial photograph of a large, rectangular green sports field, likely a soccer field, with yellow markings. The field is surrounded by residential buildings with red-tiled roofs, trees, and a paved road. A smaller, rectangular court, possibly for basketball or tennis, is visible in the bottom left corner of the field area.

The diagram illustrates a cross-section of a roof construction with a drainage system. The roof surface is covered with a green waterproofing layer. Below this is a grey insulation layer. A drainage channel is embedded in the insulation, with a U-shaped outlet leading to a collection tank. The collection tank has a blue outlet pipe. The diagram is labeled with '1' and '2'.
