Comments			
<p>TIL promotes services, policies and interventions aimed at reducing the production of pollutant emissions and at promoting sustainable mobility good practices to public bodies, companies and private citizens. Over the years, TIL has promoted and realised projects related to environmental sustainability, such as: renting service of electric vehicles "Econoleggio"; sponsorship for the realisation of an urban forest in Reggio Emilia and for planting trees along a bike lane in the town of Correggio.</p> <p>The city of Reggio Emilia has received different awards for the use and diffusion of electric vehicles thanks also to the collaboration with TIL: the Global E-Visionary Award in 2003; the International Energy Agency "Best Practice Award" in 2005; the Italian Commission for Electric Vehicles "Electric City Award" in 2011. In accordance with its corporate mission, TIL is willing to contribute even more strongly to the fight against climate change supporting the Municipality of Reggio Emilia.</p>
