Project: 2021-1-IT01-KA121-VET-000011461**Project Details**

Project Code	2021-1-IT01-KA121-VET-000011461
Accreditation Code	2020-1-IT01-KA120-VET-009202
Project National ID	J89J21010170006
Grant awarded for standard costs	90.548,00
Grant awarded for inclusion support for participants and exceptional costs	0,00
Total grant awarded	90.548,00

The beneficiary shall manage their grant with the goal of delivering indicative targets defined in this Annex and in full respect of the funding rules specified in Annex IV.

A maximum of 20% of the total grant awarded can be used for international activities (activities involving Partner countries). Budget categories 'Inclusion support for participants' and 'Exceptional costs for expensive travel' will not count towards this limit. If the limit is reached, the target number of participants in international activities will not apply.

During project implementation, the beneficiary can make changes to the indicative targets without requesting an amendment to the grant agreement. However, the beneficiary must always prioritise those targets that have been marked with priority status at budget allocation stage. Targets for accompanying persons and preparatory visits are the lowest priority.

At the final report stage, the beneficiary will explain any changes that took place during implementation. These explanations will be evaluated as part of the final report assessment, as described in Annex III.
