RE: COMPETE IN PGI00129

Dear applicant,

At its meeting in Utrecht on 10 February 2016, the Interreg Europe monitoring committee decided on which applications to approve in the first call for proposals.

We are pleased to inform you that your application has been **approved under conditions** by the monitoring committee. **The attached condition(s) must be fulfilled before a final approval for funding can be given.** All relevant documents should be sent to the joint secretariat as soon as possible, and by **Thursday 31 March 2015** at the latest. Your contacts at the secretariat will be in touch with you shortly to discuss the details.

Please consult the second enclosed document for practical information on the next steps to take, including an invitation to a welcome webinar.

The monitoring committee's decision will be legally effected through the subsidy contract. The contract will be sent to you, as lead partner, as soon as the conditions are fulfilled. Expenditure is eligible for Interreg Europe funding from the date of the monitoring committee's decision, i.e. 10 February 2016.

The official start date for the project is 1 April 2016. The implementation of the planned activities has to begin from this date.

We greatly appreciate the efforts made by you and your partners in developing this proposal and would like to take this opportunity to congratulate you on your successful application.

On behalf of the Chair of the Interreg Europe monitoring committee,

Yours sincerely,
